PROJECTS

Portfolio (deepiportfolio.ccbp.tech)
Developed a responsive web application for Portfolio where other people like interviewers can see about, education, list of projects, skills, contact info of a person
- Implemented different sections of the application using React components, props, lists, keys, State & Event Handlers.
- Implemented responsiveness by using Bootstrap grid system and flex classes and CSS box model properties through mobile-first approach.

Technologies used: React JS, Bootstrap, CSS

Cryptocurrency Tracker (dbcrypto.ccbp.tech)
Developed a comprehensive cryptocurrency tracking solution.
- Showcased crypto market data in a table using React and Bootstrap.
- Optimized for all devices with Bootstrap and CSS.

Technologies used: React JS, REST API Calls, CSS, Bootstrap

Todos Application (dbtodo.ccbp.tech)
Developed persistent todo application with CRUD operations to track list of tasks
- Displayed list of todos with HTML list elements, styled todo list using CSS, Bootstrap
- Implemented todo crud operations by using JavaScript event listeners and updated UI dynamically by using JavaScript DOM operations.
- Used Arrays, Objects and their methods during todolist CRUD Operations, Persisted todo list state on page reloads using local storage methods.

Technologies used: HTML, CSS, JS, Bootstrap

WORK EXPERIENCE

Demeter Systems Private Limited (Technical Operations Associate)   **Apr 2018 – Aug 2021**

Bengaluru, Karnataka

Throughout my extensive professional experience, I have acquired a wealth of expertise in the efficient management of inventory for specialized SPM machines. My background in both management and purchasing teams has allowed me to develop a deep understanding of the intricate complexities involved in the procurement process. Leveraging my comprehensive knowledge and practical experience, I have consistently succeeded in ensuring that the necessary stocks and raw materials are readily available, thereby facilitating smooth and uninterrupted production. My meticulous attention to detail and proactive approach have earned me a reputation for promptly identifying and addressing potential issues before they can impact production deadlines.

CERTIFICATES

BEC Priliminary Certification

The Business English Tests are designed for individuals. They are designed to help professionals develop the English language skills to communicate confidently in an international workplace.
